REPUBLICAN STATE CONVENTION.

Assuming that the proposed Water A Republican State Convention will be held A Republican State Convention will be held at the city of Lincoin on Wednesday, the 2d day of Sept mber, 1874, at 3 o'clock p. m., for the purpose of placing in nomination one candidate for Congress, one candinate for member of Congress contingent, candidates for Governor, See clary of State, Treasurer, Superintendent of Public Instruction, State Prison Inspector, and Autorney General, and for the transaction of such other business as may properly come before it. The delegates from each Judicial District will nominate a nerson for District Attorney, for their respec-Works system would involve an expenditure of \$400,000 in twenty year eight per cent bonds, and we find that the additional tax to meet the interest thereon would be thirtytwo thousan'l dollars per annum. person for District Attorney, for their respective Districts. Add fitteen thousand dollars per annum to cover sinking fund, and we have a total of \$47,000 additional

person for District Attorney, for their respec-tive Districts.

The organize counties are entitled to dele-gates upon the following basis:

Counties east of the sixth Principal Meridian shall be entitled to go be delegate for each 1,000 inhabitan s, according to the census taken dur-ing the current year, and one for each fraction over five hundred. But each organized county shall be entitled to at least one delegate. Organized counties west of the 6th F. M., shall be entitled to one delegate each, and to one additional delegate for each one thousand in-habitants, according to the census aforesaid, and one for each fraction user five hundred, as follows: DELEGATES FOR COUNTIES.

EDITOR OMAHA BEE:

if this is thus. - Burtonian, Aug. 13th. Getting on the cars at Omaha going west, we pass along through a back arguments it required to infine country of land, with numerous duce you to suppress the evidence fields of corn, and from the numerin the postal investigation. That ous stacks of grain in the fields, deevidence was, and is, just as accessinotes that a splendid crop of wheat ble to the Union as to any other has been harvested. Reaching Fremont we begin to see the working by what remarkable process of reaof grasshoppers on the corn and soning the Union arrived at the vegetation (proper name should be reported. conclusion that Postmaster Yost corn hopper.) From Fremont to had been vindicated. It might, North Platte, hardly a stock of corn perhaps, be of interest for has escaped. We find the towns honest mechanics and farmers to along the line of the U. P. railknow why the oppressed and incorroad much improved in appearance, ruptible editors of the Union were so careful about suppressing the item

enne especially has improved materially with substantial buildings. At Laramie we laid by one day, their Weekly issue. The Burtonlan and was surprised to see what improvements had been made here, and the amount of business done at this place. From Laramie, west, to Ogden, did not show so much improvement. At Ogden we expected to take the narrow guage railroad for Franklin, Utah, but we could not find out from any one here whether we took the train for Corinne here,

and was informed that the coaches left every morning for Montana. We put up at the Metropolitan hotel for the night, (and by the way a very good one). In the morning we strolled around the city and found business much more lively here than anticipated. The freight-

ers were here in great numbers, loading freight for Montana. Most of the freighters favor this point as a starting point in preference to Franklin. In the afternoon we accepted an invitation from the landin fire department expenses and fire lord to take a ride to the great Salt risks will at least amount to \$20,000 Lake, where we took a bath in the per annum. We presume that nogreat salt basin, which well renaid body will dispute that the water us for our trouble. Here we found the wheat getting ripe and all kinds rents will fully cover the running of crops promised an abundant yield.

expenses and repairs. Leaving out On the morning of July 31st we the inevitable rise in the valuation took the four horse coach for Virginia City. Four passengers and of city property, we find that the about 1,800 pounds of express matreal increase of taxation could not ter made our load. We started at possibly exceed three and a half 7 a m., and passed up the Bear river Valley for eighteen miles, then through a pass to Malad Valley and In other words, people who pay up through a splendid Valley for taxes on property assessed at one twenty-five miles. These Valleys thousand dollars would have to pay are settled with Mormons, and the three dollars and fifty cents per crops looked splendid. The mosquitoes put their bills in most too annum in water works taxes: will frequently to suit us. Thirty-eight | produced in Utah Valley. miles north of Corinne we crossed the line from Utah to Idaho. Passing over the divide for fifteen miles WHY did the Omaha Republican we come to Marsh Valley. In this garble the head lines of the Lincoln Valley the road from Franklin to

Journal's report of the Independent | Montana connects with the road State Convention? The original in from Corinne. This Valley is twenty miles long; the Journal reads as follows: "The then we pass over foot hills six Independents-Convention of Dismiles to Port Neuf Canon. Here appointed Office-seekers and played the mosquitoes put in their bills out Democrats-The third attempt again, much more than we wished to liquidate. This Canon is famous at holding a Convention partially for the numerous raids of "road agents," and of course we felt as The Republican copied the report though we would be gobbled sure, but changed these head lines tofor there was at least at much as \$150,000 in the pockets of the pas-"The Independents-The State Consengers, besides two treasure boxes, vention at Lincoln-Another Con-(empty) belonging to Wells, Fargo vention ordered-Declaration of & Co,'s express. principles." Are we to infer by this This canon was entered just at

night fall and was eleven miles long: thence thirty-two miles to ager is a member of the Ko-op order, Yam Patch we passed over a broken opened as yet, are turning out from is in srcret sympathy with this country. Here Snake River was Ko-op-Democratic-sore-head combireached. By the way I must not forget Kinney Station, fifty-five miles from Corinne, for here we took supper. The table was well supplied and well cooked, and the best meal THE Indiana Independents have we had on the road. Twenty-two also had their trouble. About six miles farther we reach Eagle Rock, weeks ago they held a State conor Snake River Bridge. Here an vention which adopted a platform Omaha drummer took quite an orand nominated a State ticket for der for goods while the horses were the new party. Several of the being changed. Sixty-five miles from here, over a broken country, nominees refused to accept the unwe reach Pleasant Valley at daycertain honors, and others were conlight, frost being visible, and we suffered with cold. Sixty miles sidered entirely unfit for the posifurther we come to the Junction, or tions which they were expected to Ryan's station, a picturesque and till. A second State Convention was beautiful location in the Beaver therefore called at Indianapolis last Head Canon, and on the Beaver Head River, being one of the tribu-

taries of the Missouri River. It appears, howeber, that this Half a mile north from this place we change stages and take a twohorse jerkey for Virginia City, the four-horse coach going to Helena; the coach also goes to Deer Lodge. Here we pass up the Big Hole Valley twenty-two miles to the Point of Rocks.

The harvest of wheat will commence here about the 20th of August. Twenty-two miles farther on we come to Bateman's ranch, thence nominee of the Independent Con- the Stinking Water Valley; a beautiful valley and well settled, with here and there a fine grist mill in sight. Six miles further we reach the mouth of the celebrated Alder gulch, where hundreds of Chinamen are at work digging for gold with good success. Four miles farther tifled and in harmony with one of we reach Virginia City and put up at the celebrated Clasly House, kept the political parties declared by the by Capt. W. H. Rodgers, having Independent Convention to be, as been in the coach for three days and now organized, the engines of op-pression, crushing out the lives of nights, reaching here on Monday morning, August 3d, at 9 a. m. We find the miners still at work along the gulch, (many of them since 1863) and fair pay is obtained in most of the claims. As we ascend the guleh the miners are mostly

> done in this gulch for twenty years We were surprised to meet our Omaha drummer here, with his sample case spread out, talking sweet to the merchants; and we learn that it was not in vain. For two days we strolled up and down the gulch, watching the honest miners digging for gold, and watched them clean up and pan out as high as one ounce per day to the hand. cation of the capital being the absorbing question; the result so far night and day at the Willamette peets of Montana are very bright, especially are her quartz prospects splendid, and a great deal of her
